FOREWORD

The present volume of Annual Report for the year 2012-13 of the Department of Higher Education gives an account of the activities carried out in the Department along with those undertaken in different wings of the Department and various autonomous organizations associated with it. The Report also presents, in brief, the facilities of the higher education available in the State.

The past year 2012-13 has gone down as one of the most happening in the Higher Education sector in the State's recent history. The State saw bold steps being taken in the Higher Education sector with a clear emphasis on the two' E's: Expansion and Excellence.

On this yardstick, the State created a record of sorts. As many as 15 higher education institutions, 3 new universities, 3 new Government colleges and 9 new Govt aided colleges will commence its operations in a single Academic Year 2013-14. Taken together, this would account for the largest expansion proposal in higher education institutions in the State in a single year. The year saw the addition of three new State-aided Universities viz Kazi Nazrul University at Asansol, Panchanan Barma University in Cooch Behar and the Techno India Private University at Salt Lake, Kolkata. The opening of these three universities from a singleacademic year 2013-14 assumes significance when seen in the context that over 66 years of independence, the State could set up 19 universities. Three new Government colleges have commenced their operations: one at Singur in Hooghly district, one at Gaighata, and another at New Town, Rajarhat in North 24 Parganas – all in temporary accommodation in nearby school/college buildings while their infrastructure is under construction. This is quite an achievement when seen in the State's context: the last three Government colleges had come up over a period of thirty four years! Another thirty one new Government colleges are in different stages of being set up across the State. Land has been tied up and tender proceedings are on. These are expected to come on stream during the AY 2014-15 and 2015-16. Nearly all these are coming up in areas away from Kolkata. Nine new Government-aided Degree colleges will open their doors to Students from the AY 2013-14. mostly in unserved or underserved areas of the State away from the urban / metropolitan areas.

West Bengal is only one of the three States in the country to have a functioning State Higher Education Council, composed primarily of academicians. We have initiated the process of mandatory accreditation of higher education institutions in the State, starting the process with the engineering colleges. The West Bengal State Higher Education Council has been appointed as the National Board of Accreditation (NBA's) Regional Centre, in which capacity, it will be undertaking accreditation of technical and engineering institutions not only in West Bengal but also eastern and northeastern India. The intention is to ensure that over a four-year period, every higher education institution in the State would get itself accredited based on national norms of quality and excellence.

The State has brought in two legislations the latest being the Presidency University Amendment Act of 2013 with the objective of providing greater autonomy to the Governing Board of the Presidency University to enable it to emerge as a centre of excellence. The Statute provides several unprecedented

powers to the University to bring in the Professors from abroad through the creation of six new Chairs of Distinguished Professors, providing for the payment of their re-location expenses, etc. The affairs of the University are being largely overseen by a Mentor Group of distinguished alumni led by the Nobel Laureate Amartya Sen. The University has just completed appointing 118 faculty from across the country and the average age of the faculty now stands a young 38 years! This bodes well for an institution wanting to emerge as a centre of excellence, as not just a teaching university but also as a research institution. The Ministry of Human Resource Development (MHRD) and the University Grants Commission (UGC) are watching the Presidency University experiment unfold with great interest.

The Rules relating to the recruitment of Principals and recruitment rules for Assistant Professors and Librarians in Government aided Colleges have been revised and notified. After a long hiatus, the West Bengal College Service Commission engaged in recruiting nearly 1800 Assistant Professors and Librarians in vacant teaching posts in Government-aided colleges; the process is expected to be completed soon. Nearly three hundred posts of teaching and non-teaching staff in colleges across the State have been created by the Government during the last twelve months. Fulfilling the states commitment towards assisting her poor but meritorious pursuing higher studies at different post matric level 23400 students were awarded post matric scholarship at different levels involving a sum to the tune of Rs 18.32 crores during the FY 2012-13.

The State Government supports several autonomous voluntary organizations and research institutes thourgh release of grants. Activities of several such organizations including Institute of Development Studies, Netaji institute of Asian Studies, Bankim Bhaban Gabeshana Kendra are also incorporated in the Report.

So, I conclude that the last year saw the Higher Education Department rolling into its new era of achievements and thus rolling into the process of reclaiming the mantle of being the country's intellectual capital soon.

PREFACE

1. The past year (2012-13) has gone down as one of the most happening in the Higher Education sector in the State's recent history. The figures below will speak for themselves.

2. The State has seen bold steps being taken in the Higher Education sector with a clear emphasis on the three 'E's: expansion, excellence and equity.

2.1 Expansion: On this yardstick, the State created a record of sorts. As many as 15 higher education institutions (3 new universities, 3 new Government colleges and 9 new Govt.-aided colleges commenced operations in a single Academic Year (AY 2013-14). Taken together, this would account for the largest expansion in higher education institutions in the State in a single year.

2.1.1 Universities: the year saw the addition of three new Universities (Kazi Nazrul State aided University at Asansol; Panchanan Barma State aided University in Cooch Behar; the Techno India Private University at Salt Lake, Kolkata). The opening of three universities in a single academic year (2013-14) is a significant achievement. Two more Universities – the Diamond Harbour Women's University and Bankura University will open their doors to students from the academic year 2014-15.

2.1.2 Government Colleges: Three new Government colleges have commenced operations: one at Singur in Hooghly district; one at Gaighata, and another at New Town, Rajarhat in North 24 Parganas – all in temporary accommodation in nearby school / college buildings while their infrastructure is under construction.

2.1.2.1 Another thirty one new Government colleges (Table 2) are in different stages of being set up across the State. Land has been tied up and tender proceedings are on. These are expected to come on stream during the AY 2014-15 (Salboni, Jhargram, Lalgarh and Nayagram in the LWE affected district of West Medinipur) and the rest in 2015-16. Nearly all these are coming up in areas away from Kolkata.

2.1.3 Government-aided Degree Colleges: Nine such colleges have opened their doors to students in AY 2013-14, mostly in unserved or under-served areas of the State away from the urban /metropolitan areas, as would be evident from the list in Table 1.

2.2 Excellence

2.2.1 West Bengal is only one of the three States in the country to have a functioning State Higher Education Council, comprised primarily of academicians. We are keen to further strengthen the Council, to provide it greater autonomy and delegated powers to prepare it for a greater role in improving the State's higher education sector.

2.2.2 We have initiated the process of mandatory accreditation of higher education institutions in the State, starting the process with the engineering colleges. The West Bengal State Higher Education council has been appointed as the National Board of Accreditation (NBA)'s Regional Centre, in which capacity, it

will be undertaking accreditation of technical and engineering institutions not only in West Bengal but also in eastern and north eastern India. The intention is to ensure that over a four-year period, every higher education institution in the State would get itself accredited based on national norms of quality and excellence.

2.2.3 The State has brought in several important legislations; the latest being the Presidency University Amendment Act of 2013, with the objective of providing greater autonomy to the Governing Board of the Presidency University to enable it to emerge as a centre of excellence. The Statute provides several unprecedented powers to the University to bring in the best Professors from abroad through the creation of six new Chairs of Distinguished Professors, etc. The affairs of the University are being largely overseen by a Mentor Group of distinguished alumni (with complete freedom in the day to day affairs of the University), led by the Nobel Laureate Amartya Sen. The University has just completed appointing 159 faculty members (with no outside interference whatsoever) from across the country (some have even joined from abroad), and the average age of the faculty now stands at a young 38 years! This augurs well for an institution wanting to emerge as a centre of excellence, as not just a teaching university but also as a research institution.

2.2.4 The University Grants Commission (UGC) and education planners across the country are watching the Presidency University experiment unfold with keen interest, for possible replication across the country. The idea being that every State should upgrade its best known College(s) into a University. The vision is to have a Presidency University-like institutional experiment in every State, and in the longer term, possibly in each district.

2.2.5 It is a matter of great satisfaction that the Calcutta University moved up to the 2nd position among the country's State universities in the India Today Survey on Higher Education 2013. Other illustrious institutions such as the Jadavpur University, Bengal Engineering Science University, Bardhaman University and St. Xavier's College continued to figure among the top 50 higher education institutions in India. Central institutions such as IIT, Kharagpur, IIM, Calcutta, Viswa Bharati and National University of Juridical Sciences also made their mark as institutions of excellence.

2.3 Equity:

2.3.1 To improve the representation of the Other Backward Castes (Socially and Educationally Backward Classes), the State has, on 30 April 2013, taken resolute legislative action for the reservation of seats for OBCs in higher education institutions. The beauty of this legislation is that it does not reserve seats for OBC students at the cost of the general/ unreserved category students; rather the Act provides for creation of additional seats (to be funded entirely by the Government) over a period of six years, seventeen percent of which would go to OBC students. The State already has 22% reservation for SC and 6% reservation for ST students. This historic legislation, implementation of which starts from the Academic Year 2014-15 will go to making higher education in the State more inclusive.

2.3.2 Talking of equity, the State is setting up Eastern India's first (and the country's seventh) Women's University at Diamond Harbour in South 24 Parganas. The capital cost of Rs.18 crore has been sanctioned; first Vice Chancellor has been appointed and the University is expected to start classes in AY 2014-15.

2.3.3 A Government College for Women at Hastings, Kolkata and another one at Tamluk (Purba Medinipur district) are coming up. A College for Women is also coming up in the remote Jhargram subdivision of Paschim Medinipur district.

3. Private University Policy: The State's first private university has commenced its operations from this academic year (2013-14). This is the first concrete example of the success of the State's Policy and Guidelines on Setting up of Private Universities notified by the State Government in 31 January 2013. Several new private universities are expected to begin operations from the AY 2014-15, making a significant contribution to the higher education infrastructure in the State.

4. Creation of new posts / filling up of vacancies

4.1 The Rules relating to the recruitment of Principals, Assistant Professors and Librarians in Government aided Colleges have been revised and notified on 19.8.2013 and 13.12.2012 respectively. After a long hiatus, the West Bengal College Service Commission is engaged in recruiting nearly 2000 Assistant professors and Librarians in vacant teaching posts in Government-aided colleges; the process is expected to be completed by February 2014.

4.2 Nearly four hundred posts of teaching and non-teaching staff in Colleges across the State have been created by the Government during the last twelve months.

4.3 Recruitment rules for the post of Principal, Librarian and Assistant Professor in Government colleges were revised and notified on 23.5.2013 and 12.11.2013.

5. Education Commission of West Bengal

The State Government has on 1/10/2013 set up an Education Commission with the objective to studying the State's education system, and to suggest a roadmap/ vision document for the year 2020. The Commission, comprising twelve members, is headed by Dr. Samir Kumar Brahmachari, Director General, Council for Scientific and Industrial Research (CSIR). The Commission has been asked to submit its Report within a year, with an interim report within six months. The setting up of the Commission indicates the State Government's commitment to remove the present shortcomings in the State's education system, and its willingness to adopt the best practices suited to the State.

6. All India Survey on Higher Education

The Higher Education Department made a significant achievement in getting all the Higher Education institutes located in the States to upload relevant information online under the All India Survey on Higher

Education. This required a herculean effort in mobilising more than 900 Higher Education institutes including self-financing/stand-alone ones and getting them to register themselves voluntarily for this exercise under which data will be updated annually. The results have been encouraging . West Bengal became the first State in the country to be able to upload data related to more than 85% of all Higher Education institutes.

The results of the Survey will become a scientific tool for education planning in the State.

7. Conclusion:

7.1 The State is in the midst of its largest single expansion in higher education, which is also evident from the increase in the budgetary allocation for this sector. The Rashtriya Uchchatar Shiksha Abhiyan (RUSA), a centrally sponsored scheme, and set to roll out shortly will add further impetus to the State's ongoing initiatives. Such a huge and rapid expansion involves a large amount of inter-Department cooperation, and this would not have been possible without the continuous encouragement and support of the Hon'ble Chief Minister and the Chief Secretary. This is gratefully acknowledged by the Department.

7.2 The Department thanks all stake holders in the State's higher education sector for their cooperation and support in moving towards the vision of making West Bengal the intellectual capital of India.

7.3 Last but not the least, a word of appreciation for all officials and staff of the Higher Education Department for their enthusiasm for the Department's new endeavours, and who are in the process, setting new standards of a vigorous and result-oriented work culture.

CHAPTER – 2
ADMINISTRATIVE SET UP OF THE HIGHER EDUCATION DEPARTMENT

2.1 INTRODUCTION

This report is being published for the 21st year in succession. It presents the status of higher education in the state of West Bengal. It describes in particular, the activities of the Department of Higher Education of the Government of West Bengal for the year 2012-2013. It also contains an account of the activities of different organisations and institutions attached to the Department of Higher Education as furnished by the organisations/institutions themselves.

2.2 ADMINISTRATIVE SET UP

The highest executive of the Higher Education Department is the Minister-in-Charge of the Department. The Secretary is the official head of the Department of Higher Education. He is assisted by Additional Secretaries, Special Secretaries, Joint Secretaries, Deputy Secretaries, Assistant Secretaries and Officers on Special Duty. The Secretary also functions as the Secretary to the Chancellor of the State Universities.

The Department of Higher Education is comprised of a number of branches and cells, namely, Establishment Branch, Budget Branch, University Branch and Chancellor's Secretariat, Non-Government College Branch, Government College Branch, Appointment Branch, Technical Education Branch, Archives Branch, Miscellaneous and Social Education Branch, Pension Cell, N. S. S. Cell, Vigilance Cell and Audit Cell.

EDUCATION DIRECTORATE

The commitment of the Department of Higher Education in financial and administrative matters of the Colleges (Government and Non-Government) is carried out through the Education Directorate. The Directorate is headed by the Director of Public Instruction who is also an ex-officio Secretary to the Government of West Bengal.

The D.P.I. is assisted by Additional Directors of Public Instruction (A.D.P.I), Joint Directors of Public Instruction (J.D.P.Is), Deputy Directors of Public Instruction and Assistant Director of Public Instruction. The sections of the Education Directorate deal with various matters related to the Colleges which include Appointment, College (Government and Non-Government), Pay Packet (PPS), U.G.C., N.G.C., Training, Accounts, Physical Education, Scholarships & Stipends, Planning & Statistics (P&S), Social Education, Hindi Education, National Cadet Corps (N.C.C.) and Law. There are also some special cells under the Directorate, namely, Audit Cell, Integrated Law Cell, etc. The sectional activities are performed under the supervision of different JDPIs, DDPIs. Besides, there are Accounts and Administrative Officers who supervise functions like release of pay packet, grants, pension, drawal of salaries etc.

DISTRICT LEVEL ADMINISTRATION

There are three Regional Education Offices under the Education Directorate located in Kolkata, Chinsurah and Jalpaiguri, controlling Presidency, Burdwan and Jalpaiguri divisions respectively. Regional Education Officers (R.E.O.) are in charge of these three offices. They have the status of an Additional D.P.I. There are also three Deputy Regional Education Officers in the said three divisions. At present, R.E.O. is in charge of Burdwan Division : two D.E.R.O.'s are in charge of Presidency Division. R.E.O. & D.R.E.O.s assist the D.P.I. in the supervision of the Non-Govt. Colleges. The D.R.E.O., Jalpaiguri also releases the pay packet for colleges in all the districts of Jalpaiguri division excepting Malda district. R.E.O. and D.R.E.O. in charge of the respective divisions are also in charge of Government and Non-Government College inspection.

DIRECTORATE OF TECHNICAL EDUCATION

The Higher Education Department exercises administrative and financial control over the Engineering and Technological colleges, Pharmacy colleges, Management colleges, MCA colleges, and the like in this State through the Directorate of Technical Education which is headed by the Director of Technical Education (D.T.E.). The D.T.E. is assisted by an Additional Director, a Joint Director of Technical Education, Deputy Directors of Technical Education, Assistant Directors of Technical Education and other staff members.

CHAPTER – 3
MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

3.1 INTRODUCTION

Considering the growing demand for Higher Education in the State and with a view to increase the gross enrolment ratio in West Bengal, the need to expand the infrastructure of the Higher Education across the State, particularly in the under-served/rural areas has been appreciated and duly addressed.

3.2 POLICIES

The following principles have guided the formulation and implementation of different programmes for higher education:

(i) Expansion of access to higher education and decentralisation of power-base.

(ii) Equity in educational opportunity and social justice.

(iii) Consolidation and qualitative improvement of colleges and expanding the base of social relevance of higher education.

(iv) Linkage of education to employment through vocationalization.

(v) Emphasis on engineering and technological education with special reference to Information Technology and Bio-Technology.

(vi) Diversification of subject compositions.

(vii) Emphasis on Basic Science courses and scientific research.

(viii) Emphasis at the same time on Liberal arts, culture, languages, physical education and humanistic values.

(ix) Mobilisation of internal resources.

(x) Accountability at all levels.

3.3 BUDGET OF THE HIGHER EDUCATION DEPARTMENT

The total budgetary provision excluding the provision under Central Scheme for the year 2011-2012 and 2012-2013 has been **Rs. 1944,29,90,000** and **Rs. 2426,71,91,000** out of which the amount provided in the Plan Budget was **Rs. 220,00,00,000** and **Rs. 240,00,00,000** respectively.

3.4 POST-GRADUATE COURSES IN DIFFERENT COLLEGES

Post Graduate Courses in some General Degree Colleges (GDC)(Government and Government aided Colleges) have been opened in numbers in the recent years, particularly after 2000 for the purpose of :

I. Expansions of access to higher education to a large number of pass outs numbering more than 67,000 in all Hons. and more than 75,000 students in General courses on an average every year;

II. Reduction of load of increasing student population on universities ;

III. Equity in educational opportunity and expanding the base of social relevance of higher education;

IV. Diversification of subject composition etc.

Distribution of PG Teaching Colleges :

There are at present 81 PG teaching General Degree Colleges (Government and Government aided Colleges) having at least one in each district of West Bengal. This is depicted as follows :

Types of PG teaching Colleges :

The PG teaching GDCs may be classified into three types on the basis of their modes of operation.

a) Totally on Self Financing basis for which the students are to pay tuition and other fees at rates varying from college to college and from subject to subject (Vide G.O. No. 785-Edn(CS); dt. 11/07/2001) &/or Universities.

b) In the UG section of the concerned PG Dept there are teachers (under Pay Packet Scheme) who along with some Guests & Part time faculties are sharing the additional work load of the PG Section. In these cases also the students are to pay fees higher than the prescribed rates.

c) All Govt. GDCs run PG Courses as per the prescribed fee structure.

A majority of the PG Departments now run in the condition stated at item no. b.

3.5 TECHNICAL EDUCATION

The projects of setting up two new Government Engineering Colleges have been taken up under the Chief Minister's Priority Programme at Purulia (under Special BRGF) and Cooch Behar (by NBDD). One new Engineering College on self-financing basis has also been set up in the academic session 2012-2013. Till 2012-2013, total number of degree level Engineering & Technology Colleges is 92 and the total intake capacity is '34305'. All these Colleges in the State are AICTE approved and affiliated by WBUT or other State Universities.

The State Government has taken a policy to encourage private institutions to introduce core disciplines (Civil, Electrical, Mechanical, etc.). Accordingly many such courses have been introduced.

In 2012-13 funds have been released for extension of Boys' Hostel as well as Central Library at JGEC, Jalpaiguri, horizontal extension of M.S.B. Building at KGEC, Kalyani, construction of new Boys' Hostel building and development of labs at GCETT, Berhampore, construction and extension of Boys' Hostel at GCETT, Serampore, construction and electrical installation of G + 3 Annexed Building at GCELT, Kolkata and supplying and fitting auditorium chairs at GCECT, Kolkata.

3.7 D.P.I. Special Stipend Scheme :

This covers two types of financial assistance : (i) General Stipend, and (ii) Ad-hoc grant. Funding is entirely from the State Government Exchequer.

D.P.I. Special Stipends (General Stipend) have been traditionally used to be given to those Madhyamik-passed / graduation-passed students who had good results but not enough to get them a place in the merit list for National Scholarship / National Merit Scholarship. A fresh Madhyamik-passed student may continue to get the stipend till the last year of his/her graduation, provided she/he continues to perform above a prescribed level in each of the intervening promotional examinations.

Current rate, quota and eligibility information for D.P.I. Special Stipend Scheme (General Stipend) :

Qualifying students	Stipend for which stage of study	Total quota	Rate per month	Current Minimum marks required	Guardians' / parents income ceiling (per annum)
M.P.-passed	H.S. & U.G	250	Rs.40/-	65%	Rs. 25,000 p.a.(for Non-salaried parents/ Guardians) Rs. 35,000/- p.a.(for Non-salaried parents/ Guardians)

Hindi Scholarship Scheme :

In order to encourage the study of Hindi in Non-Hindi speaking states, Government of India has implemented the Hindi Scholarship Scheme for the post-matric students [H.S., U.G., P.G., and Research (M. Phil. / Ph.D. etc)]. The scholarship is given to students whose mother tongue is not Hindi and who are studying in a Non-Hindi speaking state in a recognized full-time course with Hindi as the sole subject or as one of the combination subjects. The total quota of Hindi Scholarships for West Bengal is 239.

Hindi Scholarship Rates and Eligibility Criteria :

Stage of Study	Quota (239)	Rate	Eligibility for applying
For H.S. stage	143	@Rs.300/- per month	Hindi is to be subject in H.S. course and 60% marks in aggregate in the Matric Exam. (Madhyamik / CBSE/ICSE etc.)
For Graduation (UG) Stage	72	@Rs.500/- per month	Hindi to be a subject in UG-course and 60% aggregate marks in the H.S. Exam.
For Post-Graduation (PG) and/or Research Stage	24	@Rs. 1000/- per month	Hindi to be the subject of study and 60% marks in Graduation or Post-Graduation as the case may be

West Bengal Government Merit-cum-Means Scholarship Scheme (W.B.G.M-C-M.S.S):

Rates and Quota :

Sl. No.	Level	Rate (per month)	Quota
1.	H.S.	Rs. 500/-	1500

9.	PG (Arts)	Rs. 1200/-	300
10.	PG (Commerce)	Rs. 1200/-	100
11.	PG (Science)	Rs. 1400/-	225
12.	PG (Professional Courses other than Engg./Med.)	Rs. 1400/-	25
	Total number of Scholarships =		**3,700**

Though the Department of Higher Education of the Government of West Bengal acts as the nodal department for this scholarship scheme, for ease of administering the scheme it has been decided that the concerned Directorates be given the responsibility to run the scheme for the students and courses falling within their respective jurisdictions. Thus, the Directorate of School Education (DSE) handles the H.S.-level; the Education Directorate (i.e. the Directorate of Public Instruction or DPI) handles the UG (Arts, Commerce, Science and non-Engg. & non-Med. Professional Courses)-level as well as the PG (Arts, Commerce, Science and non-Engg. & non-Med. Professional Courses)-level; the Directorate of Technical Education (DTE) handles the UG (Engg.)-level; the Directorate of Technical Education & Training (DTET) handles the UG (Polytechnic)-level and the Directorate of Medical Education (DME) handles the UG (Med.)-level of the scholarship scheme. There is a high-power Steering Committee headed by the Hon'ble Minister-in-Charge of Higher Education, West Bengal for the over-all supervision and monitoring of the scheme.

3.8 FULL AND HALF FREE STUDENTSHIP FOR ENGINEERING & TECHNOLOGY STUDENTS :

In order to extend relief to the poor and meritorious students admitted into Govt. Engineering and Technology colleges, the State Govt. has taken measures to grant the benefit of full and half free studentship. 10% students selected on merit cum means basis will come under the purview of the scheme each year. Private self financing colleges have also been asked to extend such facilities to the possible extent.

ENGINEERING TECHNOLOGY AND MANAGEMENT EDUCATION

4.1 INTRODUCTION :

West Bengal is marching forward towards the expansion of Higher Education in engineering & technology and also in management education. More specifically, in the last ten years, the growth rate in Higher Technical Education in West Bengal has remarkably improved, particularly in the emerging areas like information technology, computer science and engineering, electronics and communication engineering, etc. following the need of the hour.

4.2 EXPANSION IN DEGREE LEVEL ENGINEERING & TECHNOLOGY EDUCATION :

The growth rate of degree level education in Engineering & Technology has been accelerated throughout the 9th Plan Period, 10th Plan Period and the 11th Plan Period and the beginning of the 12th Plan period. In 2012-13, the total number of degree level Engineering & Technology Colleges is '92' and the total intake capacity is '34305'. All these Colleges in the State are AICTE approved and affiliated by WBUT or other State Universities.

In the University/University Departments and Government Engineering & Technology Colleges students are admitted only through a Common Entrance Examination (JEM) conducted by West Bengal Joint Entrance Examination's Board. In the Self-financing Engineering & Technology Colleges of this State besides JEM, 10% seats are filled up out of the merit listed candidates of AIEEE conducted by CBSE. Moreover, in those Self-financing Engineering & Technology Colleges 10% seats are filled up through Management Quota.

Availability of Institutions and seats for Engineering, Technology, Pharmacy education in the academic session 2012-13 :

Category of Institutions	No. of Institutions	Seats available in 2012-13	Remarks

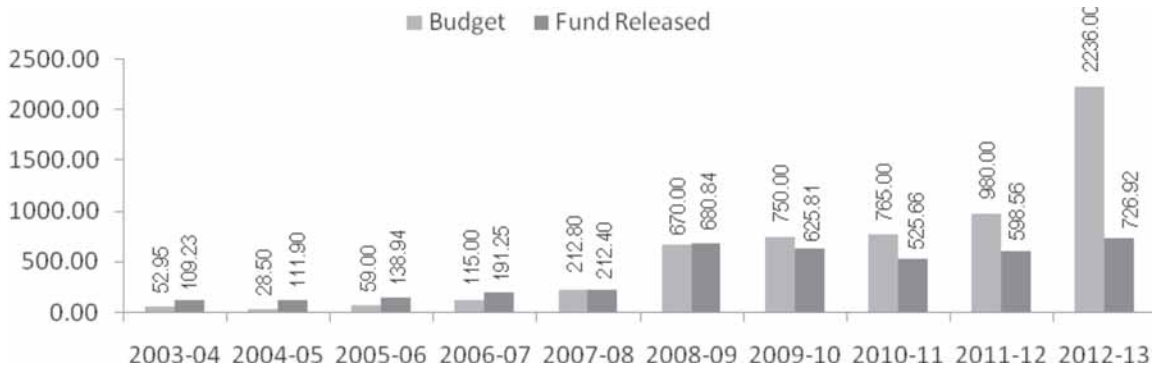
4.6 STATE GOVERNMENT FUND SANCTIONED AND RELEASED :

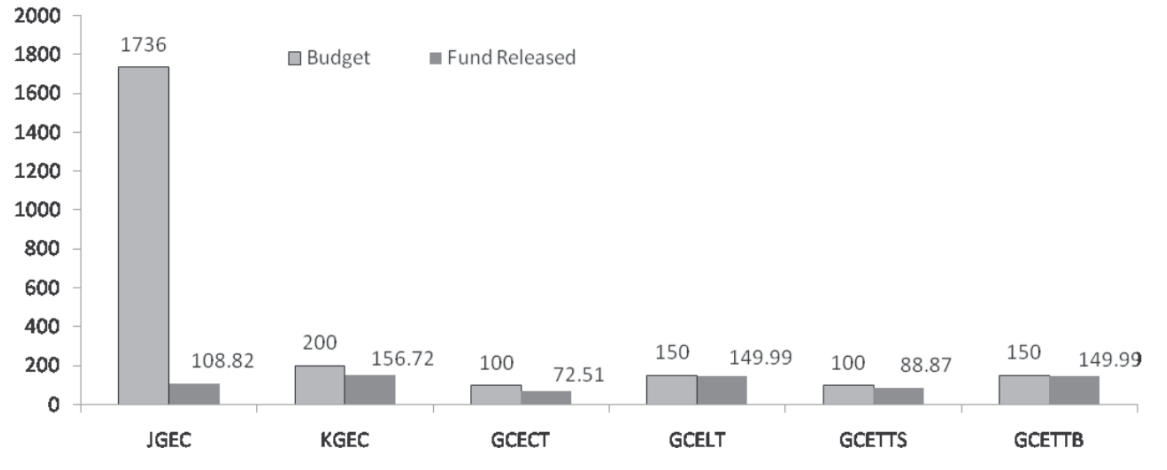
4.6.1. Development under the Major Plan Head '2203' in 6(six) Government Engineering & Technology Colleges for the year **2012-2013.**

The fund under this head has been mainly utilized for different development schemes of laboratory, library, workshop, etc. purchasing furniture for Office, hostel, Colleges, etc. and for A.M.Cs. of various equipment. The fund has also been utilized for setting up of the laboratory and purchase of books & journals for introduction of post-graduate courses and also for introduction of under graduate courses.

Budget Vs. Fund Released under the Head '2203' – year wise (Rs. In Lakh) :



Budget Vs. Fund Released under the Head '2203' – College wise : 2012-13



4.6.2 Development under the Major Plan Head '4202' in 6(six) Government Engineering & Technology Colleges for the year 2012-2013.

The fund under this head has been mainly utilized for capital expenditure i.e. for construction of new building, renovation and repair works and other civil and electrical works.

Budget Vs. Fund Released under the Head '4202' – year wise : 2012-13

Fund sanctioned over the last five years has an exponential growth :

4.7 LATERAL ENTRY SCHEME :

In pursuance of the scheme of All India Council for Technical Education (AICTE), the State Government has extended the scope of degree level Engineering Education to the diploma holders through the introduction of 'Lateral Entry Scheme' for admission of the diploma holders in degree Engineering / Pharmacy of the State directly into 2nd Year /3rd semester of 4-Year course from the academic session 2001-2002. Under this scheme, diploma holders from the Polytechnic Institutions with 45% marks in aggregate have got the opportunity for admission after qualifying a State Level Common Entrance Test JELET conducted for this purpose. The intake capacity is upto the extent of 20% of the total approved intake along with the vacant seats of the first year. From the academic session of 2008-09 students with requisite marks in B.Sc. are also made eligible for admission under the Scheme as per provision of the AICTE.

4.8 FINANCIAL ASSISTANCE TO POOR & MERITORIOUS STUDENTS STUDYING IN ENGINEERING & TECHNOLOGY COLLEGES :

4.8.1 West Bengal Government Merit-Cum-Means Scholarship Scheme :

In terms of Notification vide No. 401A-Edn(T) dt. 25.4.2007 a new scholarship scheme known as "West Bengal Government Merit-Cum-Means Scholarship Scheme" has been introduced from the academic session of 2006-07 in the State for the students studying in degree level Government & Government aided Engineering & Technology Colleges in the year 2006. Since the year 2007, this scheme is opened for all degree level Engineering & Technological Institutions including self-financing institutions. This scheme has now renamed as Swami Vivekananda West Bengal Govt. Merit-cum-Means Scholarship Scheme.

The scholarship amount is Rs.16,800/- per student per year. In the session 2010-11 this Directorate has selected 1086 candidates (fresh 200 and renewal 986) as MCM scholarship holder. For undergraduate level scholarships, candidates must obtain at least 75% marks consisting of two language subjects and three best elective subjects. Students who are enrolled in the first year of Under Graduate Course after passing the H.S Examination or equivalent in the same year will be eligible to apply for this year's Scholarship Scheme.

In the academic session 2012-2013 a total number of 1911 students have been awarded the said scholarship out of which the fresh candidates is 638 and remaining 1273 students have been awarded as continued recipients (renewal case).

It is also worthwhile to mention in this context that the student who are already enjoying Half/Full Free studentship from the college will have no bar of receiving MCM Scholarship or vice versa. **From 2011-2012 all UG / PG Courses (Engg. & Tech.) and other professional courses approved by AICTE have been brought under the purview of MCM Scheme.**

4.8.2 Financial assistance to poor and meritorious students of Private unaided Engineering Colleges in this State under the West Bengal Freeship Scheme (WBFS) :

With the enhancement of tuition fees, the Fee Structure Committee has also recommended for provision of free studentship to the meritorious and economically backward students allowing full free studentship to at least **10%** of the students and half free ship to at least 10% of the students of their approved annual intake against the management quota of 10% of the approved intake sanctioned by the State Government.

4.9 SIGNIFICANT POLICIES FOR EFFECTIVE GOVERNANCE OF PRIVATE SELF-FINANCING INSTITUTIONS :

4.9.1. Admission through single window system :

Except the Management Quota (10%), the entire seats (90%) are allotted to the students by the Central Selection Committee (Engineering & Technology) from the merit list of JEM/AIEEE through single window system.

4.9.2 Conduct of On-Line Counselling for admission to Degree Level Engineering and Technology Programe:

From the academic year 2012-13 State Government has introduced the Online Counseling Program conducted by the West Bengal Joint Entrance Examinations Board in collaboration with NIC, New Delhi

4.9.3 Restructuring of the Governing Body and its proper functioning as per guidelines of AICTE :

Due attention has been given for constitution of the Governing Bodies of the Colleges following AICTE norms. The State Government has taken pro-active role towards their proper functioning. The Colleges conduct the Governing Body meetings at regular intervals with appropriate agenda items where Govt. in the Higher Education Department, Directorate of Technical Education and State Technical University participate as members. **It may be stated that at present there are State Govt. Nominees in the G.B. of all the Self-financing Engg. & Tech.Colleges.**

4.9.4 Admission against Management Quota:

The self-financing degree level Engineering & Technology Institutions are filling up 10% of their approved intake directly through Management Quota has approved by the State Government. The Management Quota is to be filled up stream-wise from the merit listed candidates of WBJEE/AIEEE. Registration of students admitted under management quota stream-wise is to be completed first with the WBUT i.e. prior to the registration of other students admitted through the central counselling process.

4.9.5 Fee-structure of various courses in Private Engineering Colleges:

This is controlled by the Fee Structure Committee duly constituted by the State Government. Fees for all the degree level professional institutions are suggested by this Committee.

4.9.6 Expansion in Engineering and Technology Programme:

In the academic year 2012-13, one new Self-financing Engineering & Technology.College namely Batanagar Institute of Engineering & Management & Science and one new Self-financing Management College namely IMS Business School have been established. Up to the academic year 2012-13, there are 92 Engineering & Technology Institutions with 34,305 approved intake, 56 Management Colleges with 4890 approved intake and 39 MCA Colleges with 2429 approved intake. Up to 2012-13 academic year,11 M.Tech. Courses have been approved in 5 Government Engineering & Technical Colleges. 86 M.Tech. Courses have been approved in 29 Self-financing Engg. & Tech. Colleges and 22 M.Pharm Courses have been approved in 7 Self-financing Pharmacy Colleges.

4.9.7 Accrediation Status:

In the academic year 2012-13, 4(four) B.Tech. Course conducted by Bengal College of Engineering and Technology, Durgapur with effect from 04.01.2013 for 2-years and 5 B.Tech. course conducted by JIS College of Engineering have been accreditated with effect from 04.01.2013 for 2/3 years by National Board of Accreditation, New Delhi.

4.9.8 Autonomus College:

In the academic year 2012-13, one Self-financing Engineering & Technical College namely JIS Colleges of Engineering & Technology, Kalyani have obtained autonomous college status from UGC.

4.10 SIGNIFICANT POLICIES FOR GOOD GOVERNANCE OF GOVERNEMNT ENGINEERING & TECHNOLOGY COLLEGES:

4.10.1 Restructuring of the Governing Body:

The Governing Bodies of all 6 (six) degree level Government Engineering & Technology Colleges have been restructured with more powers and functions vested on the Governing Body and with more members from the industry houses. In many of the Governing Bodies the Chairman himself is from the industry so that appropriate suggestions can be given by the members of the Governing Body for the development of such professional Colleges. After the implementation of the Technical Education Quality Improvement Programme (TEQIP) all the six (06) Government Engineering & Technology Colleges are enjoying autonomy to some extent and as such the decision of the Governing Body and its functioning is important for smooth and proper running of these Colleges.

4.10.2 Block Grant System and sanction of fund :

From the last quarter of the financial year 2006-2007, the block grant system of sanction of fund has been introduced in all the 6(six) Government Engineering & Technology Colleges. In case of 4 (four) Government Engineering & Technology Colleges under TEQIP i.e. Jalpaiguri Govt. Engineering College, Jalpaiguri; Kalyani Govt. Engineering College, Kalyani; Govt. College of Engineering & Textile Technology, Serampur and Government College of Engineering & Ceramic Technology, Kolkata, block grant system was introduced in past phase with the implementation of institutional reforms towards financial autonomy and lastly the same has been extended to two other Government Engineering & Technology Colleges i.e. Govt. College of Engineering &Textile Technology, Berhampur and Govt. College of Engineering & Leather Technology, Kolkata. Under the block grant scheme the expenditure for non-salary non-plan items as a whole are allotted as a grant-in-aid where the institutions are having their autonomy to utilize the fund as per their institutional requirement for improvement of teaching and learning process. Under the financial autonomy the institutions can retain and utilize the entire tuition fees and other development fees collected. Moreover, the institutions are permitted to generate, retain and utilize the revenue internally generated (IRG) through calibration & training, consultancy services, sponsored research programme, educational programme, Self-financing degree programme, Industry Institute Interaction, Commercial Utilization of availability facilities etc. Besides this Institutitons have also been permitted to operate four funds i.e. corpus fund, staff development fund, departmental fund and maintenance fund to ensure sustainability of the reforms made to their institutes.

4.10.3 Constitution of Financial Management Committee (FMC) :

The State Government has also constituted the Financial Management Committee in each College for optimum utilization of the block grant fund with accountabiality and other related matters pertaining to non-plan non-salary item of expenditure. Moreover, plan and non-plan fund requirements under the overall control of the Governing Body/ Board of Governors of each of these Institutions where accountability and transparencies are maintained beyond the given autonomy.

4.10.4 Financial Assistance to Poor and Meritorious Students :

In the Government College of Engineering & Technology also the system of free studentship and half free studentship is present for the poor but meritorious students. So that good students not suffer due to financial paucity. State Government has introduced 10% full-free studentship and 10% half-free studentship vide Government Order No. 416-Edn(T) dt. 27th July, 2004 for these Institutions.

4.10.6 Autonomus College :

In the academic year 2012-13, 2 Govt. Engg. & Tech. Colleges namely Govt. College of Engg. & Ceramic Tech., Kolkata and Jalpaiguri Govt. Engg. College, Jalpaiguri have obtained Autonomus College status from UGC.

4.10.7 One Time Additional Central Assistance (OTACA) :

Under this scheme Rs. 10,00,00,000/- (Central Share Rs. 3,00,00,000/- and State Share Rs. 7,00,00,000/-) has been sanctioned for expansion of Kalyani Govt. Engineering College under OTACA Scheme. Rs. 11,95,06,000/- (Central Share Rs. 3,58,52,000/- and State Share Rs. 8,36,54,000/-) has been sanctioned for construction of proposed Tannery Training and service Centre (TTSC) at Bantala by Government College of Engineering and Leather Technology, Kolkata under OTACA Scheme.

4.10.9 Establishment of New Government Engineering and Technology Colleges:

It has been decided that a new Government Engineering College will be established at the district Purulia under Special Backward Region Grant Fund (Special BRGF). Another Government Engineering and Technology College will be established at District Coochbehar under State Plan. Land identification has been done and preliminary project reports have also been prepared.

4.10.10 Department of Industrial Policy and Promotion (DIPP):

Government College of Engineering and Leather Technology, Kolkata is participating under the DIPP Project of Ministry of Commerce and Industry, Govt. of India, for the conduct of Training programe.

4.11 PROHIBITION OF RAGGING:

The State of West Bengal has formulated the Prohibition of Ragging Act in 2000 and rules thereof in 2001. The Act and Rules for Prohibition of Ragging issued by the State Government have been circulated to the Institutions to display the same in proper places of the Institutions for information of the students and all other concerned persons. Anti Ragging Committee and Anti Ragging Squad have also been formed in each and every Institution. AICTE notifications in this regard have also been circulated to all the colleges under this Directorate time to time. State Government has also constituted an Appellate Committee in this

regard. Necessary measures as per the Prohibition of the Acts and Rules are taken from time to time in case of any incidence of ragging. Measures have also been taken to provide separate hostels for the 1-year students as far as possible in the Government Engineering & Technology Colleges.

Directorate of Technical Education time to time sends guidelines towards prohibition of ragging to all the Institutions under its purview. Honourable Supreme Court's guidelines (issued on May, 2009) on prohibition of ragging has also been circulated amongst the Institutes. In terms of this guidelines Institute Level, University level and District level monitoring are to be done. Constitution of Ragging Monitoring Cell at the State Level is under process.

4.12 RTI related activities :

Directorate has already appointed State Public Information Officer & Appellate Authority to deal with the RTI related applications. Moreover all the Government Engineering & Technology and Grant-in-Aided Self Financing Engineering & Technology colleges have been instructed to appoint Public Information Officer and Appellate Authority within the jurisdiction of the college.

4.13 TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME (TEQIP)

Under World Bank funded Technical Education Quality Improvement Programme (Phase-I), the State Govt. released full amount of Life Time Allocation of Rs. 147.097 crore for Project implementation which has been almost fully utilized by the Programme Institues (11 in number) and State Project Facilitation Unit. TEQIP Phase-I started a reform process in 2004/2005 and ended in March, 2009.

To continue the development activities initiated through TEQIP-I, a sequel of project is planned as TEQIP Phase-II on 75:25 (G.O.I.: State) fund sharing basis. For the financial year 2011-12 Rs.27 crore has been provided as Central Share and Rs. 9 crore as State Share in relevant Heads of Accounts. Memorandum of Understanding (MoU) has already been signed by the State with the Ministry of Human Resource Development, Govt. of India. The National Project Implementation Unit at New Delhi has already intimated the State Govt. the names of the selected 11 Institutions under Sub-component 1.1 and 4 Institutitons under Sub-componenet1.2. In the year 2012-13, Rs. 7 crore 29 lakhs has been sanctioned as Central Share and Rs. 2 crore 43 lakhs has been sanctioned as State Share for the participating Institutes. Under the TEQIP Phase-II the thrust areas are as follows:-

- Institutions under 1.1

  Strengthening of Institutions for enhancement of Learning Outcome and Employability of Students.

- Institutitons under 1.2

  Strengthening of Institutions for Quality enhancement of Post Graduate Education, Research, Inovation, and Industry Institute Interaction.

- Establishment of Centre of Excellence

  10 proposals for establishment of Centre of Excellence for obtaing grant of Rs. 5 crore per Centre, from three participating Universities and one Private Self-financing Institute have been forwarded to the National Project Implementation Unit in New Delhi for consideration.

UNIVERSITIES

5.1 GENERAL INFORMATION :

A bill for upgradation of Presidency College to the status of University has duly been passed. This would enable this premier institution of education of our country to function more efficiently as a teaching training and research centre in various branches of knowledge.

Presidency University has been set up by virtue of Presidency University Act, 2010 under notification No. 1047-L dated 07-07-2010. 27th July, 2010. Thereafter, vide this Department notification No. 694-Edn(U) dated 14/12/2010 the Governor was pleased to appoint 16th December 2010 as the day with effect from which, and until the appointed day all the functions and powers of the University, the Court, the Executive Council, the Faculty Councils for Post-graduate and Undergraduate Studies, the Boards of Studies, the Finance committee and all other authorities to be constituted under this Act or the Statute.

The matter of setting up of a centre of A.M.U. in Murshidabad district is under active consideration of the Govt. Recently some positive response has been received from the concerned university. The Govt. of West Bengal has identified the required lands for the purpose and sent the particulars of the land to the A.M.U. The team of 5 officials including Vice-Chancellor of the University have recently visited the site. The matter of transfer of 259.74 acres of land is now in process. Recently a building has been taken temporarily to launch the M.B.A. and Law course.

The Govt. of West Bengal in the Department of Higher Education has established one new university named Sidho-Kanho-Birsa University in the district of Purulia.

5.2 HIGHLIGHTS OF UNIVERSITY SECTOR DURING 2012-2013

University Branch deals with all State-Aided Universities under the administrative control of Higher Education Department & West Bengal State Council of Higher Education.

Total number of State-aided Universities within the purview of Higher Education Department is 17 (seventeen). These are —

1. University of Calcutta (1857),
2. Jadavpur University (1955),
3. University of Burdwan (1960),
4. University of Kalyani (1960),
5. Rabindra Bharati University (1962),
6. University of North Bengal (1962),
7. Vidyasagar University (1981),
8. Netaji Subhas Open University (1997),

9. W.B. University of Technology (2000),
10. Bengal Engineering and Science University (2004),
11. West Bengal State University, Barasat (2008),
12. Gour Banga University (2008),
13. Presidency University (2010),
14. Sidhu Kanho Birsha University (2010),
15. Kazi Nazrul University (2012),
16. Cooch Behar Panchanan Barma University (2012),
17. Diamond Harbour Women's University (2012).

5.3 Bengal Engineering and Science University (BESU), Shibpur

The National Development Council has approved proposal (under central sector scheme) for upgradation of seven selected technical institutions during 11th Five year plan period and BESU, Shibpur is one of them. Established way back in 1856, erstwhile Bengal Engineering College has been in existence for more than 150 years. From a state college, it became a deemed university in 1992. Subsequently, through an enactment of the West Bengal State Legislature the institute was upgraded to a full-fledged State University with effect from September, 2004. At present BESU has 2400 (approximate) Students enrolled in various Under Graduate, Post Graduate and Ph.d. programmes.

The Bill for conversion of BESU to Indian Institute of Engineering, Science and Technology (IIEST) has been laid in the Parliament for legislation. The organizational and governing structure of IIEST is proposed to be on the lines of NIT. IIEST will be 'Institute of National importance' covered under the NIT Act. Admission to IIEST for Under Graduate seats will be made through All India Engineering Entrance Examination, which is a national level examination.

Rs. 5.70 crore has been sanctioned towards various development works in the University.

5.4 Presidency University

Presidency College has been upgraded and converted to Presidency University in 2010-11 with the passing of the Presidency University Act, 2010. The Act has been further amended to include various matters relating to the development of the University into a centre of excellence.

State Government has accorded approval to the creation of 104 posts of Assistant Professors in various teaching deparments apart from converting 227 posts from the erstwhile Presidency College, and recruitment process is underway. Proposal for creation of 91 new posts of non-teaching employees is under consideration of the Government. 188 posts of non-teaching employees from Presidency College structure are to be converted to the Presidency University structure. The proposal is under consideration of the Finance Dept.

The State Government after taking into account the recommendation of Presidency Mentor Group has decided to create five posts of distinguished professorship in the University. These posts are –

a. Acharya Jagadish Chandra Bose distinguished university professorship in the natural sciences,

b. Kabi Guru Rabindranath Tagore distinguished university professorship in the humanities (in the field of literature and cultural studies),

c. Swami Vivekanada distinguished university professorship in the humanities (in the field of Philosophy, broadly defines),

d. Netaji Subhas Chandra Bose distinguished university professorship in the social sciences (in the field of economics, history and/ or political sciences,

e. Kazi Najrul Islam distinguished university professorship in the Intercultural Dialogue and Peace Studies.

Further, incentive in the form of Faculty Research and Professional Development Fund has been approved at the rates mentioned below for research expenses, purchase of laptops, travel to academic conferences, etc.:

a. Guaranteed Rs. 4 lakh per year for Distinguished University Professors,

b. Guaranteed Rs. 3 lakh per year for Professors

c. Guaranteed Rs. 2 lakh per year for Associate Professors,

d. Guaranteed Rs. 1 lakh per year for Assistant Professors

Government grant for the purpose will be limited to a maximum of Rs. 7 crore per annum.

Moreover, Moving Expenses up to Rs. 2 lakh for faculty members recruited from outside West Bengal has also been approved and Government grant for the purpose will be limited to a maximum one time grant of Rs. 3 crore.

6.3.4 INDIAN INSTITUTE OF MANAGEMENT (IIM) - KOLKATA

The Indian Institute of Management, Calcutta was established in 1961 - India's first national institute of management for post-graduate studies and research in management. Established in collaboration with

the Alfred P Sloan School of Management, Ford Foundation, the Indian business community, the Government of India and the Government of West Bengal, a substantial part of the annual capital and revenue expenses of the Institute are provided for by the Government of India.

6.3.5 SAHA INSTITUTE OF NUCLEAR PHYSICS

Saha Institute was established in 1951 in memory of Late Dr. Meghnad Saha, one of the greatest Indian Scientists.

Major areas of research :

High energy Physics: Quantum field theory, Standard model and beyond, string theory, Cosmology and early universe. Phenomenology of heavy hadron physics. Plasma physics: Experimental research with Tokamak, Condensed matter Physics : High-Tc super conductors thin films, magnetic properties of solids, NMR studies, surface Physics :

Crystallography and Molecular Biology study of protein Molecules.

6.3.6 THE ASIATIC SOCIETY

The Asiatic Society, Calcutta was founded in 1784 by Sir William Jones (1746-1794), eminent Indologist, with the objective of inquiring into the history, science, arts and literature of Asia. This institution proved to be the inspiration behind all literary and scientific activities in the country. Three main activities of the Society concerning the scientific pursuit of the knowledge are (i) Library services (ii) Academic activities and (iii) Publications.

6.3.7 BOSE INSTITUTE

The Bose Institute was founded by Acharya Sir Jagadish Chandra Bose in 1917 for the advancement of science and dissemination of knowledge. The Institute has served the nation for the past 85 years through its pursuit of advancement of knowledge in science and technology. There are departments of Biochemistry, Biophysics, Botany, Microbiology, Chemistry and Physics and the research sections on Animal Physiology, Environmental Science, Immunotechnology and Plant Molecular & Cellular Genetics. In addition, there are support and service centres like RSIC, DIC, Library, Workshop etc.

6.3.8 INDIAN INSTITUTE OF CHEMICAL BIOLOGY

The Indian Institute of Chemical Biology has always focused basic research in Bio-Medical science. Over the years, it has endeavoured to attain excellence in basic biological research and to focus attention on applied research.

6.3.9 SATYENDRA NATH BOSE NATIONAL CENTRE FOR BASIC SCIENCES

The Satyendra Nath Bose National Centre For Basic Sciences was established in 1986 to foster the growth of advanced studies in selected branches of basic sciences and to conduct original researches in theoretical and mathematical sciences and other basic sciences in frontier areas including challenging theoretical studies of future application and to train young scientists for basic researches.

CHAPTER – 7
COLLEGES

7.1 GENERAL INFORMATION ON GOVERNMENT AND NON-GOVERNMENT COLLEGES:

There are different categories of College in West Bengal like Government colleges, non-Government colleges under pay packet scheme and private self financing colleges under the administrative jurisdiction of the Higher Education Department. They include General Degree Colleges and professional colleges like Law Colleges, Teachers' Training Colleges, Management colleges and Engineering & Technological Colleges etc.

General Degree Colleges in this State are under two broad categories (i) Government Colleges and (ii) Non-Government Colleges. Self financing private colleges have also been set up in this area.

Government Colleges are directly controlled by the State Government. The entire expenditure for these Colleges is borne by the Higher Education Department. The teaching and non-teaching staffs of these Colleges are Government employees.

The Non-Government Degree Colleges are also financed by the Higher Education Department almost entirely. In 1978, the PAY PACKET SCHEME was introduced for payment of salary of teaching and non-teaching employees of the Colleges under the West Bengal Colleges (Payment of Salaries) Act, 1978. All Non-Government degree colleges (including erstwhile sponsored colleges) receive salary under this scheme. Recently the State Govt. has allowed a few autonomous non-profit making societies/trusts to set up a few private colleges on self-financing basis. The General Degree Colleges have a wide variety in enrolment, subjects offered and in educational achievements.

7.2 GAMES AND SPORTS IN COLLEGES

FACILITIES

Although games and sports are not included in regular curricular programme of General Degree Colleges, the Government encourages these activities in various ways. There are posts of Physical Instructor/ Physical Instructress in all Government Colleges and in some Non-Government Colleges. They are entrusted with the responsibility of organising games and sports in respective colleges. Grants are released to colleges for purchase of equipment for games and sports.

GOVERNMENT COLLEGES

Most of the Govt. Colleges have playgrounds within or outside. The students of the colleges are encouraged to participate in games and sports. An INTER-GOVT. COLLEGE ATHLETIC MEET is held every year.

NON-GOVERNMENT COLLEGES

The picture of the non-Govt.colleges is slightly different. It is understood from available data that 105 colleges have playground attached to those colleges, while 25 colleges have playground outside the

campus. But the playgrounds of most of those colleges are not spacious enough for popular games like football or cricket. Like Govt. Colleges, inter non-Govt. College athletic meet and Football competition is organised by the Directorate of Physical Education annually.

7.3 HOSTEL FACILITIES IN COLLEGES

All the Government Engineering and Technological Colleges have hostel facility. All the Govt. Teachers' Training Colleges, excepting one, also have this facility. Amongst the Govt. General Degree Colleges, however, only ten colleges have hostels. Amongst the non-Govt. (General Degree and Teachers' Training) colleges, ninety three colleges offer this facility. The number of non-Govt. colleges in each district having hostel facility is shown at next page :

7.4 SOME SALIENT FEATURES OF COLLEGES

A. Government Colleges

+ **Research / Partnership :**

Ford Foundation, UGC, DST -GoI, CSIR, etc, have funded special research and academic projects in top government colleges. Presidency College alone has received nearly Rs.5 cr. Libraries, Laboratories and Computer systems have been upgraded to enhance research and other academic facilities.

+ **Created financial flexibility :**

The Principal's of the Govt. Colleges have been given the financial powers of DPI/Secretary for sanctioning expenditure. They do not have to approach HE Deptt/DPI for these matters, as was the system before.

The Teaching and non-Teaching staff position in 17 Govt. General Deg. Colleges is as follows

Govt Gen. Deg. Colleges	Total: Sanc. Post	No. of Filled up posts	No. of vacancy
No. of colleges = 17 (all data - excluding erstwhile Presidency Coll)			
Principal (W.B.Sr.Edn.Serv.)	17	7	10**

Teacher (Asstt. / Assoc Prof) in West Bengal Education Service (WBES)	1360	1110	250
Librarian	57	24	33

B. Non-Government Colleges

The establishment of the colleges was, in some cases, associated with the National (Education) Movement in India during the British period, such as Surendranath College (1884) and Jadavpur Vidyapith (now Jadavpur Vidyapith College of Education).

Since Independence, the Central and the State Governments have appointed various commissions in the field of education, the University Education Commission, 1948-49, the Indian Education Commission (Kothari Commission), 1964-66 and the Education Commission (Ashok Mitra Commission), 1992-93 etc. for the improvement of education and the service conditions of the Non- Government College teachers which were not at par with those of the Government Colleges teachers.

Expansion and Quality improvement :

The State Government has concentrated on the decentralization of educational opportunities to the rural and other backward areas of the State to meet the demands of the people for education. The State Government is equally conscious of the need for improvement of the quality of college education. Every

year the State Government has been sanctioning grants for the development of libraries and laboratories of the Colleges. Funds are also released for the repair, reconstruction/ renovation and extension of college buildings.

The responsibility of management of non-Government colleges lies with the Governing Bodies of the colleges subject to overall jurisdiction of the State Government. The academic matters of the Colleges are looked after by the University concerned to which the colleges are affiliated.

C. Assessment & Accreditation through National Assessment & Accreditation Council (NAAC) :

State Quality Assurance Cell under the aegis of W.B. State Council of Higher Education has been organizing workshops and sensitization programmes for the colleges for NAAC accreditation. As per NAAC-stipulation 342 colleges in our State are eligible for "NAAC-Accreditation" - out of these colleges, (till 15/12/2010) 232 Gen. Deg. colleges are accredited by NAAC for the first time. However, in addition to above, 15 Training (B.Ed.) colleges/ institutions, 1- Art college and 2-Technical colleges are also accredited by the NAAC.

Performance cum need based incentive scheme :

This scheme was introduced for Govt aided general deg. Colleges, since F.Y. 2007-08 with wide circulation of the notice through mail as well as advertisement in leading newspapers. Generous financial assistance (to the tune of Rs. 6 to 10 Lacs) is sanctioned for development of infrastructure (viz. Chemicals & glasswares, Books & journals, Lab Equipments & computers, Furniture and minor repairing works). The scheme is based on on-spot assessment of overall performance and requirement of individual colleges scaled in respect of the socio-economic-cum- geographic reference plan on which these colleges are located.

8.1 TEACHERS' TRAINING

Secondary Teacher Education Programme in West Bengal :

At present B. Ed. courses are run in 5 different categories of instittutions in our state viz. (i) Govt. B.Ed. College, (ii) B.Ed. Colleges under PPS, (iii) General Degree Colleges under PPS with B.Ed. Deptt., (iv) Self financed Pvt. B.Ed. Colleges and (v) University B.Ed. Deptts.

There are 135 institutions offering B.Ed. course in our state with an annual intake of nearly 13,500 students. All of these courses are recognized by NCTE. Amongst these institutions there are 7 Govt. B. Ed. Colleges; 17 - B.Ed. Colleges under PPS; 14 - General Degree Colleges under PPS with B.Ed. Deptt.; 6 - Univesity B.Ed. Depts (including one at Viswa Bharati Univ.) & 91 - Self financed Pvt. B.Ed. Collges.

At present 95% of the Teacher Education Institutions / colleges are recognized by the National Council for Teacher Education (NCTE). In this achievement, the responsibility of compensatory money was borne by the Govt. of West Bengal.

ACTIVITIES OF WINGS OF THE GOVERNMENT, ACADEMIES AND INSTITUTES

9.1 INSTITUT DE CHANDERNAGOR

Documentation project

A digitization project work is continuing to preserve French Official records of 17th and 18th Century and 52 books were completed in the last financial year.

French Language Study

In 1966, the Higher Education Department, Government of West Bengal, introduced adult French Language Courses. The courses are comprised of two levels viz. Certificate and Diploma with duration of one (1) year each and comprising of two semesters.

9.2 INSTITUTE OF ENGLISH

The Institute of English, Calcutta (IEC) was founded in close collaboration with the British Council, Division of British Deputy High Commission, Calcutta through a Government notification in 1963.

Since its inception, Institute of English,Calcutta has been effectively handling the task of teacher training in the field of ELT entrusted to it, both in in-service and pre-service sectors.

9.3 WEST BENGAL JOINT ENTRANCE EXAMINATIONS BOARD

The West Bengal Joint Entrance Examinations Board was formed as West Bengal Board of Examination for Admission to Engineering Degree Colleges in the year 1962, born out of a concept of holding a common admission test for the Engineering Colleges of the State of West Bengal. The basic purpose was to select candidates for consideration for admission to the State Colleges on the basis of the results of a single competitive examination which would also lead to saving of time, energy and expenditure on the part of the candidates in appearing at number of entrance tests.

Since inception, the Office of the Board had fuctioned from 'Slater Hall' in the campus of Bengal Engineering and Science University, Shibpur (erstwhile known as "Bengal Engineering Collage, Shibpur") till January, 2008. From February, 2008 the office of the Board has been functioning at AQ-13/1, Sec-V, Salt Lake City, Kolkata-700091. The Board is in the process of setting up its own building near City Centre, Salt Lake City.

Following Entrance Examinations are at present conducted by the Board at present for admission to different professional courses.

JEM – Joint Entrance Examination for admission to Engineering Degree Colleges started from 1962 and Technological Degree Colleges from 1971. Presently Government Engineering Colleges, Private Engineering Colleges and Universities in West Bengal admit their students for Engineering and Technological courses through Joint Entrance Examination. The admission of all Medical/Dental Colleges in West Bengal is made through Joint Entrance Examination since 1972. This process has turned entirely on-line from last year.

JECA – The Joint Entrance Examinations Board started the Joint Entrance Examination for admission to Master of Computer Application Course (MCA) of Bengal Engineering and Science University, Shibpur (erstwhile B. E. College) and Jadavpur University from 1989. Presently, 34 Govt. and Private Engineering Colleges and Universities in West Bengal admit students of MCA Course through Joint Entrance Examination.

JELET – The admission under lateral entry scheme to 2nd year of the four years course of Bachelor Degree in Engineering / Technological courses in private and Govt Engineering/Technological Colleges/ Universities in West Bengal has been made through Joint Entrance Examinations Board conducted by the West Bengal Joint Entrance Examination Board.

JENPARH – The Govt. and Private Colleges are admitting their students in bachelor courses through Joint Entrance Examinations conducted by West Bengal Joint Entrance Examinations Board from year indicated against each :

Ayurvedacharya	–	1992
Homoeopathy	–	1997

JEHOM – West Bengal Joint Entrance Examinations Board also has been conducting the joint Entrance Examination for admission to the Bachelor Degree Course of Hotel Management & Catering Technology in AICTE approved self financing Hotel Management Institutions of the State of West Bengal.

EVETS – The Degree Courses of Veterinary Sciences & Animal Husbandary awerded by the West Bengal University of Veterinary Sciences admit their students through Joint Entrance Exam. w.e.f. 2004.

9.4 NETAJI INSTITUTE FOR ASIAN STUDIES

Netaji Institute For Asian Studies was established in 1981 as a social science research institute, sponsored in the Department of Higher Education, Government of West Bengal. A regular maintenance grant from the state government and mobilization of additional resources has enabled NIAS to pursue its mandated research agenda on (a) Indian National Movement, especially the role of Netaji Subhas Chandra Bose and the Indian National Army; (b) trends in the nation-building processes in South and South-East Asia and (c) Asian relations.

9.5 NATIONAL SERVICE SCHEME (N. S. S.)

The National Service Scheme is a noble Youth activity and main objective of N.S.S is 'Education through Community Service'. The Scheme was launched in 1969 and West Bengal is one of the first few States where N.S.S. has been introduced since its inception in the country. The fund for N.S.S. regular activities and special camping by the State Govt. (State share) are released in time. All the State Universities and H.S. Council conduct their regular Advisory Committee meeting for monitoring and supervising the N.S.S. activities.

9.6 WEST BENGAL DISTRICT GAZETTEERS

The office of the State Editor, West Bengal District Gazetteers was set up in the late fifties to implement the Government of India Schemes of revision of Gazetteers which were compiled and published during the British Rule. Since then research, compilation and publication of Gazetteers have been undertaken. Thereupon many original district reports for making Gazetteers were published. Besides that worthwhile reprints written by different personalities like Hunter, F.D. Ascoli, F.E. Pergiter's reports were also published. An annotated version of Howrah Past and Present written by C.N. Banerjee and a reprint of Howrah District Gazetteers written by L.S.S. O'Malley and Monomohan Chakraborty have been published.

9.7 WEST BENGAL STATE ARCHIVES

The West Bengal State Archives is the oldest repository of Government records in the country. It occupies an important place in the set up of the Government of West Bengal since it is the custodian of non-current records created by all Government offices in the State.Besides its primary function of preservation of records, it caters to the needs of bonafide scholers and,as such, plays an important role in generating public awareness about archival source material.At present, it functions from three wings, viz. a) Historical section and main office at 6, Bhawani Dutta Lane, Kolkata- 700 073, which houses records upto 1900, b) Current Section at Writers' Buildings, Kolkata- 700 001, where post-1900 records are preserved and c) New functional Building at 43, Shakespeare Sarani, Kolkata 700 017, which possesses the Intelligence Branch (I.B.) and P.W.D. records. A photo archives and a photo gallery on the freedom fighters have been created in the same premises.
